Easy updates.

Nonresponsive based on revised scope also has authority to sign, but we haven't seen any signatures yet. We got word of that today.

These are from last month – can you update as appropriate? The updates no later than 5-25. Is it too early to forecast the CDs for the other 2 Bs? Thanks.

- **Environmental Integrity Project's (EIP) files Motion to Intervene in negotiations to amend Partial Consent Decree (PDC) with Capital Region Water (CRW):** EIP filed a Motion to Intervene in the matter of U.S. v. Capital Regional Water and the City of Harrisburg, where the parties are currently negotiating an amendment to the Partial Consent Decree which states that LSRA has standing and a statutory right to intervene. The parties filed a request for a 10-day extension and the court extended the deadlines. The government's answer is due on May 27th. The U.S., PADEP, and CRW have been negotiating a list of projects which will be the subject of the amended PCD and which are designed to

Ex. 5 Deliberative Process (DP)

allowing CRW to complete an approvable LTCP within that period. By entering into an amended Partial Consent Decree, CRW retains the requirement to concurrently develop an approvable LTCP with an adaptive management approach. Region 3 has drafted an amended PCD, updating the 6-year old PCD to reflect the work that has been done to date and the forthcoming work. DOJ is reviewing that document; EPA hopes that DOJ can send the draft agreement to CRW within the next few weeks. The
